

BETA CLUB DONATION DRIVE

April 17th – 28th

Did you know that 1 in every 8 children in our state are considered food insecure? This means that these children may not know where their next meal is coming from. For many children living in poverty, the free and reduced meals they receive during the school year are the only meals available to them. MUST Ministries Summer Lunch has helped fill the hunger gap for 28 years now. No words are adequate in recognizing the community support that it takes to make this program happen for so many. Would you consider supporting us this upcoming summer?
